History

Visions sur l'art Québec is a non-profit organization incorporated since May 1993.

Visions sur l'art Québec is affiliated to VSA Arts, Washington D.C.

Since its inception, in 1974, VSA Arts has brought together over 60 countries in the pursuit of one goal: to extend opportunities in the arts to people with special needs everywhere. More than six million people worldwide are active in VSA Arts programs.

Mission

Promote the creativity and artistic talents of individuals with special needs and limitations.

Promote the integration of these artists into the artistic community.

Promote due recognition of their contribution to the cultural life of the community.
